Application Number	Application/Notificat ion Date	Product Type	Product Profile	Product Presentation	Indication
MC18/0023661	19/02/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0023663	15/02/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0024293	21/02/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0027758	7/02/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0028026	9/03/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0028087	6/03/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0029100	12/03/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0029961	15/03/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0030599	20/03/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0030601	19/03/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0032256	22/03/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0032264	26/03/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0033984	4/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0034526	4/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0034529	4/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0035484	3/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0035485	3/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0036301	10/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0037282	12/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0038116	23/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0038138	23/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0038141	23/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0039556	30/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57
MC18/0039647	27/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57

MC18/0039648	27/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0039700	27/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0039736	30/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0039737	30/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0039925	1/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0040013	1/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0040051	2/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0040055	1/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0040419	7/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0040422	7/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0040431	3/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0040491	2/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0040704	8/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0040707	8/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0040708	8/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0041076	30/04/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0041131	7/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0041577	10/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0042322	15/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0044740	22/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0044857	21/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0044944	23/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0045475	28/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0045502	28/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0045695	24/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)

MC18/0045710	25/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0045712	25/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0045771	29/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0046684	30/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0048271	1/05/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0048276	6/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0048287	6/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0048373	7/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0048592	7/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0048593	7/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0048654	7/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0048655	6/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0049468	11/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0049474	11/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0049475	11/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0050579	11/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0050655	12/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0050940	11/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0051086	18/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0051132	19/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0051134	19/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0051708	20/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0052719	22/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0052822	23/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0052886	21/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)

MC18/0054877	29/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0054878	29/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0055754	2/07/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0055755	2/07/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0055805	28/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0056238	5/07/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0056315	9/07/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0056391	9/07/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0056392	9/07/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0056396	22/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0056398	4/06/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0056465	11/07/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0056558	5/07/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
MC18/0056560	5/07/2018	Medicine	Indigo Carmine	Injection	For intraoperative detection of suspected urethral injuries during abdominal and pelvic surgical procedures (M57)
