Dear Sir,

The Hunter Skeptics Inc., one of a network of Skeptics groups within Australia, wishes to express its strong and total support of the submission recently presented to your office within the Therapeutic Goods Administration, by the Victorian Skeptics (President: Terry Kelly): ***Submission on Consultative Paper: Improving Advertising Arrangements for Therapeutic Goods in Australia.***

The concerns raised in this submission are fully shared by the members of the Hunter Skeptics Inc.

This matter is of major importance for the citizenry in this country.

Yours sincerely,

(John Turner)
President
