Therapeutic Goods (Excluded Goods) Order for Disinfectants 2005

SUBSECTION 7(1) ORDER

Item	Goods	Specified Use or Labelling
1	Sanitisers (other than industrial food sanitisers and nappy sanitisers), detergents, laundry soaps and other preparations, the primary purpose of which is household and commercial cleaning or conditioning of inanimate surfaces.	Labelled so that: (a) benefits claimed are limited to: (i) an improvement in hygiene; or (ii) the removal or reduction of non-specific micro-organisms to a sanitary level; or (iii) antibacterial action; or (iv) bacteriostatic action; and (b) no claims are made that the product is: (i) germicidal, biocidal (kills germs); or (ii) a disinfectant; or (iii) a sterilant; or (iv) bactericidal, sporicidal, tuberculocidal, virucidal; or; (v) fungicidal unless the claims are limited to the destruction of mould
2	Deodorisers	Labelled so that the benefits claimed are limited to deodorising air and no claims are made that the goods are: (a) bactericidal, fungicidal, sporicidal, tuberculocidal, virucidal; or (b) that the product is a disinfectant for inanimate surfaces
3	Cleaning wipes claiming an antibacterial action	Labelled so that: (a) the benefits claimed are limited to antibacterial action or reduction of non-specific micro-organisms within the wipe; and (b) no claims are made relating to the disinfection of inanimate surfaces coming into contact with the wipe
