Registrar

Important Information

As required by the Court's Rules, this Notice has been inserted as the first page of the document which has been accepted for electronic filing. It is now taken to be part of that document for the purposes of the proceeding in the Court and contains important information for all parties to that proceeding. It must be included in the document served on each of those parties.

The date and time of lodgment also shown above are the date and time that the document was received by the Court. Under the Court's Rules the date of filing of the document is the day it was lodged (if that is a business day for the Registry which accepts it and the document was received by 4.30 pm local time at that Registry) or otherwise the next working day for that Registry.

Statement of Claim

No. of 2020

Federal Court of Australia
District Registry: New South Wales
Division: General

Secretary, Department of Health

Applicant

Evolution Supplements Australia Pty Ltd and another

Respondents

1. The First Respondent is a corporation, capable of being sued in its own name.
2. The Second Respondent is the sole director of the First Respondent.

The Website Advertisements

3. Between at least January 2019 and 2 March 2020, the First Respondent maintained, or caused to be maintained, a website located at Universal Resource Locator (**URL**) www.evolutionsupplements.com.au (**Website**).
4. Within the period referred to in paragraph 3 above, the Website displayed advertisements in relation to each of the goods listed in Schedule 2 to this Statement of Claim (**Website Advertisements**).

Particulars

- (a) The Website Advertisements were displayed at the URLs listed in Schedule 2, during the periods listed in Schedule 2.
- (b) The Website Advertisements were available 24 hours per day, for the periods they were displayed.

Filed on behalf of (name & role of party)	Secretary, Department of Health, (Applicant)
Prepared by (name of person/lawyer)	Joanna Davidson of counsel
Law firm (if applicable)	Norton Rose Fulbright Australia (Attn: Michael Sullivan and Brendon Green)
Tel	02 9330 8483
Email	michael.sullivan@nortonrosefulbright.com & brendon.green@nortonrosefulbright.com
Address for service	Norton Rose Fulbright Australia (Attn: Michael Sullivan and Brendon Green)
(include state and postcode)	Level 5, 60 Martin Place, Sydney, NSW, Australia

5. By maintaining the Website, or causing the Website to be maintained, the First Respondent advertised, or caused to be advertised, each of the goods listed in Schedule 2 to this Statement of Claim (**Website Goods**).

Advertising goods that are not entered in the Register

6. Each of the Website Goods is and was, within the period referred to in paragraph 3 above, a therapeutic good within the meaning of s 3(1) of the *Therapeutic Goods Act 1989* (Cth) (**TG Act**).

Particulars

- (a) Each of the Website Goods is or was, at all relevant times, represented to be, or is or was, at all relevant times, likely to be taken to be, for a therapeutic use, having regard to the representations made concerning the effects and uses of the Website Goods in the Website Advertisements.
 - (b) Each of the Website Goods is or was, at all relevant times, represented to be, or is or was, at all relevant times, likely to be taken to be, for use in influencing, inhibiting or modifying a physiological process in persons, having regard to the representations made in column 2 of Schedule 3 to this Statement of Claim in the Website Advertisements in respect of those Website Goods listed in column 1 of Schedule 3.
 - (c) None of the Website Goods is or was, at any relevant time, the subject of an order in force under section 7 of the TG Act.
 - (d) None of the Website Goods is or was, at any relevant time, a good for which there is a standard within the meaning of s 4(1) of the *Food Standards Australia New Zealand Act 1991* (Cth).
 - (e) None of the Website Goods is or was, at any relevant time, a good which, in Australia or New Zealand, has a tradition of use as food for humans in the form in which it is presented.
 - (f) None of the Website Goods is or was, at any relevant time, covered by a determination under s 7AA of the TG Act.
7. None of the Website Goods is or was, at any relevant time, entered in the Australian Register of Therapeutic Goods (**Register**).

8. None of the Website Goods is or was, at any relevant time, the subject of an exemption, approval or authority under the TG Act, nor an exemption, approval or authority under regulations under the TG Act.
9. The advertisements for the Website Goods refer or referred to therapeutic goods not entered in the Register that are and were at all relevant times prescribed by reg 7(i) of the *Therapeutic Goods Regulations 1990* (Cth), for the purposes of s 42DLB(9) of the TG Act.
10. The references to therapeutic goods in the advertisements for the Website Goods were not at any relevant time authorised or required by a government or government authority.
11. The advertisements for the Website Goods listed in part 2 of Schedule 2 to this Statement of Claim referred to substances, or goods containing substances, included in Schedule 4 to the then current Poisons Standard (as that term is defined in s 3 of the TG Act) (**Poisons Standard**) but not in Appendix H of the then current Poisons Standard at all relevant times (**Website Schedule 4 Goods**).
12. The references to substances, or goods containing substances, included in Schedule 4 to the then current Poisons Standard in the advertisements for the Website Schedule 4 Goods were not at any relevant time authorised or required by a government or government authority.
13. The conduct of the First Respondent pleaded in paragraphs 3 to 5, having regard to the characteristics of the Website Goods pleaded in paragraphs 6 to 12 above, was in contravention of s 42DLB(1) of the TG Act, in circumstances where:
 - (a) in relation to the advertisements for the Website Goods, s 42DLB(9) of the TG Act applied; and
 - (b) in relation to the advertisements for the Website Schedule 4 Goods, s 42DLB(7) of the TG Act applied.

The After Hours Advertisements

14. Between at least 28 October 2019 and 9 January 2020, the First Respondent maintained, or caused to be maintained, a version of the website located at Universal Resource Locator (**URL**) www.evolutionsupplements.com.au displayed only:
 - (a) between approximately 8pm and 4am on weekdays; and
 - (b) all day on Saturdays and Sundays

(After Hours Website).

15. The After Hours Website displayed advertisements in relation to each of the goods listed in Schedule 4 to this Statement of Claim **(After Hours Website Advertisements)**.

Particulars

- (a) The After Hours Website Advertisements were displayed at the URLs listed in Schedule 4, during the periods listed in Schedule 4:
- i. between approximately 8pm and 4am on weekdays; and
 - ii. all day on Saturdays and Sundays.
16. By maintaining the After Hours Website, or causing the After Hours Website to be maintained, the First Respondent advertised, or caused to be advertised, each of the goods listed in Schedule 4 to this Statement of Claim **(After Hours Website Goods)**.
17. Each of the After Hours Website Goods is and was, during the period referred to in paragraph 14 above, a therapeutic good within the meaning of s 3(1) of the TG Act.

Particulars

- (a) Each of the After Hours Website Goods is or was, at all relevant times, represented to be, or is or was, at all relevant times, likely to be taken to be, for a therapeutic use, having regard to the representations made concerning the effects and uses of the After Hours Website Goods in the After Hours Website Advertisements.
- (b) Each of the After Hours Website Goods is or was, at all relevant times, represented to be, or is or was, at all relevant times, likely to be taken to be, for use in influencing, inhibiting or modifying a physiological process in persons, having regard to the representations made in column 2 of Schedule 5 to this Statement of Claim in the Website Advertisements in respect of those After Hours Website Goods listed in column 1 of Schedule 5.
- (c) None of the After Hours Website Goods is or was, at any relevant time, the subject of an order in force under section 7 of the TG Act.
- (d) None of the After Hours Website Goods is or was, at any relevant time, a good for which there is a standard within the meaning of s 4(1) of the *Food Standards Australia New Zealand Act 1991*.

- (e) None of the After Hours Website Goods is or was, at any relevant time, a good which, in Australia or New Zealand, has a tradition of use as food for humans in the form in which it is presented.
 - (f) None of the After Hours Website Goods is or was, at any relevant time, covered by a determination under s 7AA of the TG Act.
18. None of the After Hours Website Goods is or was, at any relevant time, entered in the Register.
 19. None of the After Hours Website Goods is or was, at any relevant time, the subject of an exemption, approval or authority under the TG Act, nor an exemption, approval or authority under regulations under the TG Act.
 20. The advertisements for the After Hours Website Goods refer or referred to therapeutic goods not entered in the Register that are and were at all relevant times prescribed by reg 7(i) of the *Therapeutic Goods Regulations 1990* (Cth) for the purposes of s 42DLB(9) of the TG Act.
 21. The references to therapeutic goods in the advertisements for the After Hours Website Goods were not at any relevant time authorised or required by a government or government authority.
 22. The advertisements for the After Hours Website Goods listed in part 2 of Schedule 4 to this Statement of Claim referred to substances, or goods containing substances, included in Schedule 4 to the then current Poisons Standard but not in Appendix H of the then current Poisons Standard at all relevant times (**After Hours Website Schedule 4 Goods**).
 23. The references to substances, or goods containing substances, included in Schedule 4 to the then current Poisons Standard in the advertisements for the After Hours Website Schedule 4 Goods were not at any relevant time authorised or required by a government or government authority.
 24. The conduct of the First Respondent pleaded in paragraphs 14 to 16 above, having regard to the characteristics of the After Hours Website Goods pleaded in paragraphs 15 to 23, was in contravention of s 42DLB(1) of the TG Act, in circumstances where:
 - (a) in relation to the advertisements for the After Hours Website Goods, s 42DLB(9) of the TG Act applied; and

- (b) in relation to the After Hours Website Schedule 4 Goods, s 42DLB(7) of the TG Act applied.

Application of the TG Act

25. The acts of the First Respondent pleaded at paragraphs 1 to 24 above were:

- (a) things done by a corporation; and/or
- (b) done in the course of, or in preparation for, trade or commerce between Australia and a place outside Australia, among the States, or between a State and a Territory.

Conduct of the Second Respondent

26. From at least January 2019 to 2 March 2020, the Second Respondent was a person responsible for, and who took part in, the management of the First Respondent.

Particulars

- (a) The Second Respondent has at all relevant times been the sole Director of the First Respondent.
27. The Second Respondent was aware that the contraventions of s 42DLB(1) of the TG Act pleaded at paragraphs 13 and 24 above were occurring, or would occur.

Particulars

- (a) On 24 December 2018, the Applicant sent a warning letter by email to the Second Respondent, requiring him to immediately remove from the Website all references to products containing substances included in Schedule 4 to the then current Poisons Standard and to therapeutic goods not entered in the Register and seeking written confirmation of the removal of those references by 2 January 2019.
- (b) On 17 January 2019, in a telephone conversation with Simon Doctor, Assistant Director of the Applicant's Advertising Complaints and Compliance Section, the Second Respondent confirmed that he had received the warning letter and stated that he would not be providing a response or taking any of the actions required by the warning letter.
- (c) On 18 January 2019, the Applicant sent a letter by email to the Second Respondent, indicating an intention to issue him with a direction under s 42DV of the TG Act to cease advertising via the Website goods not entered in the Register and goods

containing substances included in Schedule 4 to the then current Poisons Standard but not in Appendix H of the then current Poisons Standard.

- (d) On 23 January 2019, a delegate of the Secretary of the Commonwealth Department of Health issued the Second Respondent with a direction under s 42DV of the TG Act by email, requiring him to cease the advertising via the Website of therapeutic goods not entered on the Register (including but not limited to goods containing substances listed in Schedule 10 to the then current Poisons Standard); and to cease the advertising of, and the publication of references to, any substances entered on Schedule 4 to the then current Poisons Standard (**Direction**).
- (e) On 4 October 2019, the Applicant's solicitor sent a letter to the Second Respondent by registered post and email, stating that advertising on the Website continued to contravene the Direction and contravene the TG Act by depicting products containing substances included in Schedule 4 and Schedule 10 to the then current Poisons Standard.
- (f) On 9 October 2019, the Second Respondent emailed the Applicant's solicitor concerning the requirement to remove products from the Website.
- (g) On 11 October 2019, the Applicant's solicitor sent a letter to the Second Respondent by email, referring to the requirement to comply with the Direction and stating that the Website included a large number of pages advertising for sale products containing substances included in Schedule 4 and Schedule 10 to the then current Poisons Standard.
- (h) On 15 October 2019, the Second Respondent emailed the Applicant's solicitor, referring to the removal of products from the Website.
- (i) On 23 October 2019, "jimmy@evolutionsupplements.com.au" sent an email to the First Respondent's email subscribers, stating that "SARMS are now only available online from 8pm to 4am".
- (j) On 25 October 2019, the Applicant's solicitor sent a letter by email to the Second Respondent, stating that the Applicant had not removed from the Website all pages advertising for sale products including the ingredients listed in the letter of 11 October 2019, that it is an offence to advertise therapeutic goods not included in the Register, and that the Website continued to advertise products not included in the Register and/or containing prescription-only substances.

28. The Second Respondent was in a position to influence the conduct of the First Respondent in relation to the contraventions of s 42DLB(1) of the TG Act pleaded at paragraphs 13 and 24 above.

Particulars

- (a) The Second Respondent is the sole Director of the First Respondent.
 - (b) The Second Respondent is the addressee for invoices from BigCommerce Pty Ltd for the provision of services relating to the Website.
 - (c) The Second Respondent is the contact person for requests made to BigCommerce Pty Ltd between July 2017 and July 2019 relating to the operation of and changes to the Website.
 - (d) The Second Respondent corresponded with the Applicant's solicitor on 9 and 15 October 2019 concerning the requirement to remove products from the Website in terms that indicated he was in a position to control the content of the Website.
29. The Second Respondent failed to take all reasonable steps to prevent the contraventions of s 42DLB(1) of the TG Act pleaded at paragraphs 13 and 24 above.
30. The Applicant repeats paragraph 25 above, insofar as it relates to the contraventions of s 42DLB(1) of the TG Act pleaded at paragraphs 13 and 24 above.
31. The Second Respondent's conduct, as pleaded at paragraphs 26 to 29 above, was done in the course of, or in preparation for, trade or commerce between Australia and a place outside Australia, among the States, or between a State and a Territory.
32. The Second Respondent's conduct, as pleaded at paragraphs 26 to 29 above, was in contravention of s 54B(3) of the TG Act.

Failure to comply with Direction

33. On 23 January 2019, Nicole McLay, a delegate of the Secretary of the Commonwealth Department of Health issued the Second Respondent with the Direction.
34. The Direction required the Second Respondent to cease the advertising via the Website of all therapeutic goods not entered on the Register (including but not limited to goods containing substances listed in Schedule 10 to the then current Poisons Standard); and to cease the advertising of, and the publication of references to, all substances entered on

Schedule 4 to the then current Poisons Standard on the Website, within 7 days of the date of the Direction.

35. The Applicant repeats paragraph 26 above.
36. The Second Respondent did not, at any time prior to the commencement of these proceedings, cause the First Respondent to cease advertising all therapeutic goods not entered on the Register via the Website.
37. At least between 31 January 2019 and 2 March 2020, the Second Respondent did not at any time cause the First Respondent to cease the advertising of, and the publication of references to, all substances entered on Schedule 4 to the then current Poisons Standard on the Website.
38. The Second Respondent's omissions, as pleaded in paragraphs 36 and 37 above, contravened the Direction.
39. The Second Respondent's omissions, as pleaded in as pleaded in paragraphs 36 and 37 above, contravened s 42DX of the TG Act.

Relief sought

40. On the grounds set out above, the Applicant claims the following relief:
 - (a) declarations in the form set out in the Applicant's Originating Application dated 4 March 2020;
 - (b) injunctions restraining the First Respondent and the Second Respondent, in the form set out in the Applicant's Originating Application dated 4 March 2020;
 - (c) orders requiring the First Respondent and Second Respondent to pay to the Commonwealth of Australia such pecuniary penalties as the Court determines are appropriate; and
 - (d) costs.

Date: 4 March 2020

Also your strength will noticeably [sic] increase"</p> <p>"Milk thistle ... helps protect the liver from toxins, am [sic] antioxidant and has anti-inflammatory properties. It also helps the liver repair itself."</p> <p>"N-acetyl cysteine ... is known for its ability to restore levels of glutathione which is a powerful anti-oxidant detoxifying in the body"</p>

Product	Representations
ANABOLIC TECHNOLOGIES – XTREME EPI DROL – 60 capsules	Xtreme Epi Drol Ingredients ... (Epistane) Epistane ... is a sulfur containing pro hormone which is known to have strong and long lasting anti-estrogenic activity as well as weak androgenic and myotropic activities” “(Halodrol) Halodrol is a 17aa pro hormone that converts to Turinabol after interaction with 3b-HSD at an estimated rate of about 5% ... Because of the 4-chloro group, halodrol has no progestational effects ... it produces inactive metabolites”.
BRAINPLUS IQ – 60 capsules	“Formulated with high-value concentration boosters Acetyl-L-Carnitine and Ginkgo Biloba, BrainPlus IQ is engineered to ensure your brain gets all the ingredients and vitamins it needs to improve areas of cognitive growth, including focus, energy, short and long-term memory ... Acetyl-L Carnitine ... transports fatty acids to mitochondria, who use those fatty acids for fuel which then creates energy. This cellular energy increases mental and physical energy and has powerful effects on brain health and memory. Ginkgo Biloba protects important nerve tissues and increases brain wave activity by improving blood circulation in the brain. It also encourages the growth and development of neural stem cells which protects against memory loss. Phosphatidylserine ... or phospholipids, are molecules made up of fatty and amino acids which help build and repair cell membranes ... PS supplements keep cell membranes fluid for effective neurotransmission”
EDEN HEALTH ALPHA MALE – 60 capsules	“Other benefits of this product are 1. Increased energy 2. Faster growth 3. Increased recovery time 4. Improved sleep 5. Hormonal support 6. Sky Rocket Testosterone!”
EVO LABS – SUPER SHRED – 8 HOURS OF INSANE ENERGY – 90 capsules	“Evolutionary Fat Burner” “10 Fat Blasting Ingredients” “Extreme Fat Loss” “Muscle Definition” “Appetite Suppression” “Increased Metabolism”
FOCUSED NUTRITION – CYCLE CARE – 60 capsules	“CYCLE CARE is ... designed to eradicate estrogen ...” “CYCLE CARE provides an anti-estrogen and cortisol blocking formula, healthy liver function support, and can boost your natural testosterone levels. CYCLE CARE helps maintain your gains from prohormones, while preventing muscle tissue breakdown. It also acts as a strong antioxidant to keep you healthy throughout your prohormone cycle.”

Product	Representations
Hi-Tech Pharmaceuticals – LIPODRENE ELITE – 90 tablets	<p>“Benefits & Results: What Can You Expect from Taking Lipodrene Elite?”</p> <p>“Increased Fat Loss!”</p> <p>“Better Appetite Suppression!”</p>
Hi-Tech Pharmaceuticals – LIPODRENE HARDCORE – 90 tablets	<p>“Key Benefits: Supports Fat Loss ... Promotes Appetite Control”</p> <p>“Tell me more about the ingredients! ... 1,3 DMAA is a sympathomimetic, aliphatic amine with indirect (i.e., by increasing norepinephrine levels) and/or direct activity at alpha and beta-adrenoceptors. This compound is also a very powerful central nervous stimulant.”</p> <p>“Caffeine: ... As the body metabolizes caffeine, it increases lipolysis, the breakdown of fat, decreasing fat stores all over the body.”</p>
Hi-Tech Pharmaceuticals – Stimrex HARDCORE – 90 tablets	<p>“Stimrex Hardcore contains Acacia rigidula extract, often called the ephedrine imposter, is the most effective metabolic stimulator on the market today! ... Acacia rigidula displays beta-2 adrenergic receptor agonist activity. It is known that increased stimulation of beta-2 receptors will promote increased metabolic rate and thermogenesis.”</p> <p>“Benefits of Stimrex Hardcore: ... Helps Reduce Body Fat, ... Promotes Increased Calorie Burning, Helps Suppress Appetite ... Helps Stimulate Metabolic Rate”</p>
Hi-Tech Pharmaceuticals – Stimrex ES – 90 tablets	<p>“Stimrex ES contains Acacia rigidula extract, often called the ephedrine imposter, is the most effective metabolic stimulator on the market today! ... Acacia rigidula displays beta-2 adrenergic receptor agonist activity. It is known that increased stimulation of beta-2 receptors will promote increased metabolic rate and thermogenesis.”</p>
Life Extension – Vitamin D3 – 7000IU – 60 Softgel Tablets	<p>“Essential for maintaining healthy bone growth and density”</p>
Life Extension – Optimized Ashwagandha Extract – 60 capsules	<p>“Scientists have discovered that the Indian herb ashwagandha ... counters some of the oxidative damage generated by nervous tension ... In a large clinical trial, ashwagandha reduced levels of the hormone cortisol by up to 26% while maintaining already normal blood sugar levels and lipid profiles. ... Additional research suggests that ashwagandha confers neuroprotection by supporting the regeneration of axons and dendrites, nerve cell components that support brain and nervous system function.”</p>
Liquid Zeolite Co.Inc – ULTRA liquid Zeolite – 30 servings	<p>“Liquid Zeolite alkalizes the body (pathogens can't live in a balanced PH environment, most diseases occur when the body is acidic. ...Liquid Zeolite ... attracts and removes aluminium, mercury, heavy metals & toxics found in the body.”</p>
Muscle Gelz – AndroShred	<p>“Increased metabolism/weight loss”</p>

Product	Representations
	<p>"A 2007 study demonstrated that administration of 7-keto-DHEA ... effectively reverses the decline in resting metabolic rate (RMR) normally associated with dieting"</p> <p>"Green tea can help mobilise fat from fat cells. In order to burn fat, it must first be broken down ... The active compounds in green tea can aid in this process by boosting the effects of some fat burning hormones. The main antioxidant in tea, EGCG, can help inhibit an enzyme that breaks down the hormone norepinephrine. When this enzyme is inhibited, the amount of norepinephrine increases".</p>
Nature's Way – MSM 1000mg – Pure OptiMSM – 200 Tablets	<p>"Methylsulfonylmethane (MSM) is a sulfur compound that helps support healthy joint function."</p>
NEW CHAPTER – MIND FORCE – 60 Capsules	<p>"New Chapter's Mind Force is formulated with select species of tonic mushrooms, including Lion's Mane, to provide cognitive support and promote normal brain function."</p>
NUTRA-PRO – OXY-V – 50 capsules	<p>"Major Appetite Suppression"</p> <p>"Supports Fat Loss/Thermogenesis"</p> <p>"OXY-V is a breakthrough in weight loss designed to significantly decrease appetite, increase energy ..."</p>
Olympus Labs – SUP3R-7 – 60 capsules	<p>"Clinically studied, Sup3r-7's key ingredient 7-Keto DHEA has been shown to increase metabolism and boost fat loss by increasing the activity of thermogenic enzymes."</p> <p>"It literally helps your liver to use fat for fuel!"</p> <p>"Additionally, helps to reduce triglycerides and improve cholesterol levels"</p>
Sunfood Superfoods OCEANS ALIVE 2.0 MARINE PHYTOPLANKTON – 30 servings	<p>"This advanced formula contains more SuperOxide Dismutase (SOD) than ever before ... SOD is an incredibly potent antioxidant enzyme produced by virtually every cell in the human body; it reduces free radicals formed during normal metabolic cell processes, and protects against oxidative damage."</p>
WellBetX – Berberine – 500mg – 60 Vegetarian Capsules	<p>"Berberine plays an important role in blood sugar (glucose) metabolism and health. Berberine helps maintain healthy blood sugar and total cholesterol levels already within the normal range."</p>
MEDFIT RX - TESTOSTERONE	<p>"MedFit Rx, Testosterone Gel Features: Remedy for strength, muscular development, and lean muscle gain. Prevents excess lactic acid and other acid buildup in muscle tissue during muscle exhaustion and over-exertion. Effectively acts on muscles and joints to offer relief from pain and stiffness caused by tearing, pulling and over lifting."</p>

Product	Representations
AGGRESSIVE LABZ - JAKKED AF - 45 servings	“Jakked AF features DMHA, Caffeine Anhydrous and beta alanine which gives you energy and focus and AAKG to get you through the toughest workouts”
Enhanced Athlete - GENIUS - 60 Capsules	“Genius was created for one reason only. To help our pioneers push their minds to the next evolution by establishing greater connections and synapse responses in the brain. Essentially, helping your brain work BETTER.”
EVO LABS - SHARP - 120 Capsules	“Evo Labs SHARP is a High Performance nootropic stack formulated to increase Energy, Focus & Total Mind Activation”
Neurella Labs - Neurella - 120 capsules	“Neurella is a ‘Nootropic’, meaning that it was formulated to help support memory and cognition. The unique combination in this blend is crafted to help support oxygen and circulation in the brain, brain cells and neurons. With Neurella’s Vegan edition you’ll see ... an increase in clear cognitive function, better physical athletic balance and motor function.” “Neurella is a superior mental performance nootropic formulated to increase circulation to the brain”
ONNIT - Alpha Brain - 30 Capsules	“The formula focuses on boosting neurotransmitters to help improve your attention, mood, focus, and awareness while helping to reduce stress and improve cognitive performance.”
SUNDOWN NATURALS - MELATONIN 10 MG - 90 Capsules	“What does melatonin do to sleep? Melatonin has two main effects on sleep: 1. Hypnotic effect. Melatonin has an effect that can make people feel more sleepy, get to sleep more quickly and stay asleep for longer. Not everyone is susceptible to this effect and studies of using melatonin as a sleeping pill have generally been in people that are older.” “2. Clock-shifting effect: This is where there is the best evidence for use of melatonin, to shift the internal body clock in conditions where it is out of synch such as jet lag. There is also increasing research on the use of melatonin for the circadian rhythm disorder, delayed sleep-wake phase disorder, where people have trouble getting to sleep and find they are waking progressively later each day.”

Product	Representations
EVO Labs – TRANSFORM – 60 Capsules	<ul style="list-style-type: none"> "Extreme fat loss" "Muscle definition" "Appetite suppression" "Increased metabolism"
EVO Labs – RECOMP – 90 Capsules	<ul style="list-style-type: none"> "Boost metabolism to an all time high" "Superior cardiovascular endurance" "Gain muscle while shedding fat"
EVO Labs – KONG - 60 capsules	<ul style="list-style-type: none"> "Benefits of KONG: Lean mass gains ... Endurance; Fat Loss"
Enhanced Athlete – Growth Hormone – 60 Capsules	<ul style="list-style-type: none"> "After orally taking a dose of MK-677, the compound will vastly increase the release of Growth Hormone ... and Insulin-Life Growth Factor for the next 24 hours via strong GH pulsations exerted in the pituitary gland" "Body fat melts off so much easier" "Weight gain is rapid and very noticeable" "Dramatic increases in nitrogen retention result in crazy muscular fullness"
Medfit RX – DYCARDROL DMHA – 30 servings	<ul style="list-style-type: none"> "3 Metabolic Boosters"
EVO LABS – GH-ULTRA 25 – 30 ml	<ul style="list-style-type: none"> "After orally taking a dose of MK-677, the compound will vastly increase the release of Growth Hormone ... and Insulin-Life Growth Factor for the next 24 hours via strong GH pulsations exerted in the pituitary gland" "Body fat melts off so much easier" "Weight gain is rapid and very noticeable" "Dramatic increases in nitrogen retention result in crazy muscular fullness"
EVO LABS – GW ULTRA 20 – 60 capsules	<ul style="list-style-type: none"> "able to work out harder for longer without fatigue" "incredible fat burning benefits" "noticeably increases cardio performance"
EVO LABS – SWOLE – 60 capsules	<ul style="list-style-type: none"> "Combination of mass and fat loss" "Fast recovery from workouts increased energy and sex drive" "Unbelievable size and strength gains"
Medfit RX – JACKED THE RIPPER – 30 servings	<ul style="list-style-type: none"> "Conquer your fat loss and lean mass journey with Jacked the Ripper"
AGGRESSIVE LABZ – LOCKED IN – 60 capsules	<ul style="list-style-type: none"> "Benefits of Jacked the Ripper: Increased Fat Loss; Increased Endurance; Lean Muscle Gains; Muscle Hardness" "Powerful Nootropic formula" "+ Cognition" "+ Energy"

Product	Representations
EVO LABS – CRUSH'D – 25 servings	<p>"Laser Focus Energy"</p> <p>"Ultimate vascularity"</p>
AGGRESSIVE LABZ – LEATHERFAZE - 20	<p>"Extreme vascularity"</p> <p>"Extreme energy"</p>
Enhanced Athlete – CODE RED FAT BURNING CREAM - 4 oz	<p>"We've loaded up this cream with hardcore fat-blasting ingredients ... and paired them with an even more hardcore transdermal delivery system"</p>
EVO LABS – SUPER SHRED – 8 HOURS OF INSANE ENERGY - 90	<p>"Evolutionary Fat Burner"</p> <p>"10 Fat Blasting Ingredients"</p> <p>"Extreme Fat Loss"</p> <p>"Muscle Definition"</p> <p>"Appetite Suppression"</p> <p>"Increased Metabolism"</p>
Hi-Tech Pharmaceuticals – Stimrex HARDCORE – 90 tablets	<p>"Stimerex Hardcore contains Acacia rigidula extract, often called the ephedrine imposter, is the most effective metabolic stimulator on the market today! ... Acacia rigidula displays beta-2 adrenergic receptor agonist activity. It is known that increased stimulation of beta-2 receptors will promote increased metabolic rate and thermogenesis."</p> <p>"Benefits of Stimerex Hardcore: ... Helps Reduce Body Fat, ... Promotes Increased Calorie Burning, Helps Suppress Appetite ... Helps Stimulate Metabolic Rate"</p>
Hi-Tech Pharmaceuticals – Stimrex ES – 90 tablets	<p>"Stimerex ES contains Acacia rigidula extract, often called the ephedrine imposter, is the most effective metabolic stimulator on the market today! ... Acacia rigidula displays beta-2 adrenergic receptor agonist activity. It is known that increased stimulation of beta-2 receptors will promote increased metabolic rate and thermogenesis."</p>
NUTRA-PRO – Oxy V – 50 capsules	<p>"Major Appetite Suppression"</p> <p>"Supports Fat Loss/Thermogenesis"</p> <p>"OXY-V is a breakthrough in weight loss designed to significantly decrease appetite, increase energy ..."</p>
EVO LABS - SHARP - 120 Capsules	<p>"Evo Labs SHARP Is a High Performance nootropic stack formulated to increase Energy, Focus & Total Mind Activation"</p>
UNDERGROUND PHARMA MAXIMUS - 90 CAPSULES	<p>"Increases Lean Muscle Mass"</p> <p>"Increases Strength & Power"</p> <p>"Increases Muscles [sic] Density"</p>

Product	Representations
300 LABZ - CLENAVAR - 90 CAPSULES	"Extreme Fat Burning Matrix"
300 LABZ - FIRE STACK - 45 CAPSULES	"Thermogenic Fat Burner"
Aggressive Labz - MAXX DMZ - 60 Capsules	<p>"You Can Expect: Extreme Mass Gains Explosive Muscle Strength and Hardness... Increased Appetite..."</p> <p>"20mg Alpha Per Capsule Benefits from Alpha 1 are Muscle Builder Muscle Gain ... Increased Lean Mass Dense Muscle Gains ... No Estrogen Conversion"</p>
Enhanced Athlete - LIGAND-ELITE LDG-3303 - 60 Capsules	<p>"LGD-3303 is a selective androgen receptor modulator (SARM) developed to prevent muscle wasting, treat Osteoporosis, greatly enhance lean muscle growth potential and help older individuals maintain strength and lean tissue." "It binds to the androgen receptor with an extremely high affinity and selectivity, and once it does this it exerts exceptional anabolic effects in muscle and bone, equating to a large increase in muscle size and strength."</p>
Enhanced Athlete - S-23 VENOM - 60 Capsules	<p>"Rapidly Builds Muscle" "Increases Strength of Bones" "Burns Fat" "S-23 is an orally active non-steroidal SARM with a very high binding affinity to androgen receptors ... Therefore, the main effects of S-23 are increased muscle mass, decreased fat mass, and a decrease in the size of the prostate."</p>
Enhanced Athlete - ACE-XT (ACP-105) - 60 Capsules	"Another of our new SARMS ... Anabolic: Androgenic ratio of around 3:1 it is a partial agonist ... It only attaches in small concentrations to the androgen receptor, so exhibits minimal androgenic side effects while on paper rivaling testosterone for anabolic activity."
Enhanced Athlete - ANDARINE S4 - 60 Capsules	<p>"S4 is another Selective Androgen Receptor Modulator (SARM) that is able of [sic] exerting supra-physiological amounts of anabolic activity in the body" "What Exactly is S4 (Andarine)?"</p>

Product	Representations
	S4 is a SARM ... that can result in substantial increases of strength, lean muscle mass, and fat loss. It ...has tissue-selective anabolic effects in muscle and bone, while sparing other androgenic effects ... S4 also greatly improves your ability to burn fat."
Enhanced Athlete - CENTAURUS - 60 Capsules	<p>"Uses of GW-501516 ... it will give you more endurance in terms of energy to be able to undertake the activities you are carrying out."</p> <p>"This sarm has proven to be capable of melting fat from people's bodies."</p> <p>"It is able to achieve in cutting fats while at the same time remaining non-catabolic"</p>
Enhanced Athlete - Yohimbine - 120 Capsules	<p>"About the product</p> <p>BURN STUBBORN FAT – Helps promote fat loss through the combination of strong ingredients and high Yohimbine potency. Supports fat loss and appetite suppression."</p>
EVO LABS - BEAST - 30ML	"Huge muscle gains while killing off fat. ... Size, strength & fat loss"
EVO LABS - BEAST - 90 Capsules	"Huge muscle gains while killing off fat. ... Size, strength & fat loss"
EVO LABS - GH-ULTRA 25 - 60 Capsules	<p>"After orally taking a dose of MK-677, the compound will vastly increase the release of Growth Hormone (GH) and Insulin-Life Growth Factor 1 (IGF-1) for the next 24 hours via strong GH pulsations exerted in the pituitary gland"</p> <p>"Body fat melts off so much easier"</p> <p>"Weight gain is rapid and very noticeable"</p> <p>"Dramatic increases in nitrogen retention result in crazy muscular fullness"</p>
EVO LABS - LGD-ULTRA 10 - 30ml	<p>"LGD-4033 is a selective androgen receptor modulator (SARM) developed to prevent muscle wasting, help fight cancer, greatly increase lean muscle growth potential and help older individuals maintain strength and lean tissue."</p> <p>"It binds to the androgen receptor with an extremely high affinity and selectivity, and once it does this it exerts exceptional anabolic effects in muscle and bone (this equals MORE muscle and MORE strength with LESS injuries)."</p>
EVO LABS - LGD-ULTRA 10 - 60 Capsules	<p>"LGD-4033 is a selective androgen receptor modulator (SARM) developed to prevent muscle wasting, help fight cancer, greatly increase lean muscle growth potential and help older individuals maintain strength and lean tissue."</p> <p>"It binds to the androgen receptor with an extremely high affinity and selectivity, and once it does this it exerts exceptional anabolic effects in muscle and bone (this equals MORE muscle and MORE strength with LESS injuries)."</p>
EVO LABS - LGD2226 - 30 ml	<p>"What is LGD-2226?</p> <p>The powerful SARM not only increases muscle growth and fat loss, but also improves cardiovascular endurance and promotes quicker recovery from intense workouts."</p>

Product	Representations
EVO LABS - RAD ULTRA 10 - 60 Capsules	Ostarine causes muscle growth just like steroids ... "Testolone (RAD140) is a selective androgen receptor modulator (SARM) ... its objective is to give a blast of testosterone without the negative side effects associated to steroid use. ... Specifically, it has been shown to interact with hormonal receptors in the tissues in the same way as a large doses of testosterone do. Furthermore, it also exhibited a greater anabolic effect than testosterone, and a more reinforced effect as well."
EVO LABS - RAD-ULTRA 10 - 30ml	"Testolone (RAD140) is a selective androgen receptor modulator (SARM) ... its objective is to give a blast of testosterone without the negative side effects associated to steroid use. ... Specifically, it has been shown to interact with hormonal receptors in the tissues in the same way as a large doses of testosterone do. Furthermore, it also exhibited a greater anabolic effect than testosterone, and a more reinforced effect as well."
EVO LABS - RIPPED - 90 Capsules	"Great combo for extreme muscle gains & fat loss" "Develop muscular definition and hardness Rapid strength gains Double your endurance."
EVO LABS - S23 - 25mg x 30mL	"S23 reduces the secretion of the hormones LH and FSH and can boost muscles [sic] mass and reduce fat mass. ... It is an excellent ligand for the androgen receptor." "S-23 is an orally active non-steroidal SARM with a very high binding affinity to androgen receptors ... Therefore, the main effects of S-23 are increased muscle mass, decreased fat mass, and a decrease in the size of the prostate."
EVO LABS - S23 ULTRA 25 - 60 Capsules	"S23-ULTRA25 can boost muscles mass and reduce fat mass. ... It is an excellent ligand for the androgen receptor. It also reduces the secretion of the hormones LH and FSH."
EVO LABS - S23-ULTRA 25 - 30ml	"S23-ULTRA25 can boost muscles mass and reduce fat mass. ... It is an excellent ligand for the androgen receptor. It also reduces the secretion of the hormones LH and FSH."
EVO LABS - S4 ULTRA 50 - 90 Capsules	S4-ULTRA50 is another Selective Androgen Receptor Modulator (SARM) that is able of [sic] exerting supra-physiological amounts of anabolic activity in the body" "What Exactly is S4-ULTRA50 (Andarine)? S4-ULTRA50 is a SARM ... that can result in substantial increases of strength, lean muscle mass, and fat loss. It is non-steroidal and has tissue-selective anabolic effects in muscle and bone, while sparing other androgenic effects ... S4-ULTRA50 also greatly improves your ability to burn fat."
EVO LABS - S4-ULTRA 50 - 30ml	S4 is another Selective Androgen Receptor Modulator (SARM) that is able of [sic] exerting supra-physiological amounts of anabolic activity in the body"

Product	Representations
	<p>"What Exactly is S4 (Andarine)? S4 is a SARM ... that can result in substantial increases of strength, lean muscle mass, and fat loss. It is non-steroidal and has tissue-selective anabolic effects in muscle and bone, while sparing other androgenic effects ... S4 also greatly improves your ability to burn fat."</p>
EVO LABS - SR-ULTRA 20 - 30ml	<p>"SR9009, also known as Stenabolic, is a selective androgen receptor modulator (SARM) that has been referred to as 'exercise in a bottle'". "How it Works The compound SR9009 works by binding to one of the body's naturally occurring molecules, called Rev-Erba. This molecule influences lipid and glucose metabolism in the liver, the production of fat-storing cells, and the response of macrophages (cells that remove dead or dying cells) during inflammation."</p>
EVO LABS - SWOLE - 30ML	<p>"Expect huge muscle mass gains with added fat loss" "Combination of mass and fat loss" "Increased energy and sex drive" "Unbelievable size and strength gains"</p>
Evo Labs - TRANSFORMER DETOX STACK	<p>"DETOX AND TRANSFORM YOUR BODY. THE ULTIMATE FAT BURNER STACK" "9 Fat Blasting INGREDIENTS!" "Extreme Fat Loss" "Muscle Definition" "Appetite Suppression" "Increased Metabolism" "Increase Fat Loss"</p>
EVO LABS - ULTIMATE MASS - 30ml	<p>"6 Mass building muscle enhancers" "Arimistane to reduce estrogen during cycle" "Gain up to 10kg+ Lean Mass gains from one cycle"</p>
EVO LABS - ULTIMATE MASS - 60 Capsules	<p>"6 Mass building muscle enhancers" "Arimistane to reduce estrogen during cycle" "Gain up to 10kg+ Lean Mass gains from one cycle"</p>

Product	Representations
EVO LABS - YK ULTRA 10 - 60 Capsules	<p>“What is YK-ULTRA10? YK-Ultra10 acts as a potent Myostatin inhibitor in the body, allowing for muscular development far exceeding one’s genetic potential. How it works is it attaches itself to the androgen receptor, and induces the muscle cells to produce more Follistatin, consequently inhibiting Myostatin in the body, which then results in more overall muscle growth.”</p>
EVO LABS - ZEUS - 60 Capsules	<p>“Highest purity 6 SARMS STACK + 1-ANDRO + Laxogenin with added high dosage of anti-estrogen Arimistane to keep your estrogen levels in check. Benefits of ZEUS: Lean Mass Gains Muscle Definition Endurance Fat Loss.”</p>
Olympus Labs - SUP3R-EPI ELITE	<p>“So what do we know about Epiandrosterone? ... Anti-estrogenic Effect” “Increases Energy/Combats Lethargy” “Increases Muscle Hardness and Density” “Increases Vascularity” “Reduces Water Weight (Leading to a drier/tighter appearance)” “And finally, let’s talk about Self-emulsifying drug delivery systems (SEDDS) ... They are able to overcome some of the biggest challenges confronting contemporary delivery science today by improving on the oral bioavailability of compounds with poor and inconsistent gastrointestinal absorption. SEDDS do so by facilitating absorption of compounds via the intestinal lymphatic system and thus circumnavigating the hepatic first-pass effect.”</p>
SUNDOWN NATURALS - MELATONIN 10 MG - 90 Capsules	<p>“What does melatonin do to sleep? Melatonin has two main effects on sleep: 2. Hypnotic effect. Melatonin has an effect that can make people feel more sleepy, get to sleep more quickly and stay asleep for longer. Not everyone is susceptible to this effect and studies of using melatonin as a sleeping pill have generally been in people that are older.” “2. Clock-shifting effect: This is where there is the best evidence for use of melatonin, to shift the internal body clock in conditions where it is out of synch such as jet lag. There is also increasing research on the use of melatonin for the circadian rhythm disorder, delayed sleep-wake phase disorder, where people have trouble getting to sleep and find they are waking progressively later each day.”</p>

Product	Representations
THE KONG STACK	<p>“Benefits of KONG: Lean mass gains Muscle Definition Endurance Fat Loss”</p>
ULTIMATE LEAN MASS STACK	<p>“Transform Evolutionary fat burner” “9 Fat Blasting INGREDIENTS!” “Extreme Fat Loss” “Muscle Definition” “Appetite Suppression” “Increased Metabolism”</p> <p>“Evolution Laboratories Presents ULTIMATE MASS the KING of all KING’s [sic] of MASS builders 6 Mass building muscle enhancers. Arimistane to reduce estrogen during cycle” “Gain up to 10kg+ Lean Mass gains from one cycle.”</p> <p>“Evolution Laboratories presents SARMS PCT the most thought out PCT to date. Maximum Testosterone Boost Increased HGH Levels” “Decreased Estrogen Levels”</p>
