[SEC=UNCLASSIFIED]

Hi Bronwen

I have just spoken to Nasis to let him know I have submitted an SRN for Actos last Thursday and to explain we had already discussed and agreed the changes with you. While the SRN has not yet reached Nasis he is happy for me to go ahead and implement the new PI on the basis that OPR have agreed to the proposed changes.

This afternoon I will take steps to implement the PI we agreed upon last Thursday, following which we will arrange printing of the Dear HP letter with mailing to HPs to occur as soon as possible thereafter (most likely early next week).

Kind Regards
