

This database is used for the purpose of assessing the value of gifts for entry to the TGA Register of Gifts and Benefits Register and is maintained as an asset register for record keeping and diplomatic purposes.

This database shows all gifts and benefits, regardless of financial value, that have been received by the TGA and its employees in 2008/2009. This is updated quarterly, and may include multiple gifts or benefits for a given entry.

Date of declaration/ receipt of gift	Name of recipient	Organisation	Event	Description of gift	Estimated value	Location of gift	Comments
