Hi team

[REDACTED]

[REDACTED]

Yesterday's meetings went well. The finance presentation takes a long time but covers a lot of material that industry really appreciated and found interesting. I just need to make an update to the slides for the reg costing of LVT and then we'll be able to send them out as our finance report, and next consultation paper on LVT, at lunchtime tomorrow.

We've asked the industry bodies to write to John in the next week with their feedback so we can send our ministerial submission on outcomes and recommendations for regulatory change to the minister next Tuesday night.

[REDACTED]

Cheers,  
Nicole
