Dear Sir/Madam,

**Subject:**  
**Essure Permanent Birth Control**

Catalogue Number/Order Code: ESS305

All Batch Numbers

**ARTG Number: 174123**

Thank you for your final report regarding the recall action involving the above therapeutic good(s).

Copies of the close out reports have now been reviewed by the TGA's Recalls Section regarding the effectiveness of the recall action itself. This information will also be used as part of ongoing monitoring and compliance activities undertaken by the TGA.

This recall action is now considered to be completed in accordance with the requirements of the current Uniform Recall Procedure for Therapeutic Goods ([URPTG](#)) and has been closed on the recalls database.

As part of finalising this action, the TGA Recalls Section is requesting that Sponsors verify the staff contact details given in the TBS Portal are up to date as per the guidance given in this link: <https://www.tga.gov.au/tga-business-services-questions-and-answers-administrators>

Please do not hesitate to contact me on the numbers below if you have any further concerns on this issue.

Yours sincerely,

Recalls Section  
Manufacturing Quality Branch
