JULY 1993

**SERIOUS ADVERSE EVENTS**

\*

8 SAE's have been reported to date:

[Redacted]

- 1 suicide

[Redacted]

SmithKline Beecham Australia and UK have assessed these serious events and concluded at this stage that

[Redacted]

Please report all serious AEs to myself immediately and to your hospital ethics committees within 72 hrs (in accordance with GCRP).

\*

I also ask that once the serious AE is resolved, further follow-up details are provided giving as much information as possible.

\*
