( LEE TERRY )

**Subject:** Excluded Goods Order

Terry

Please see attached note sent to DG who has now indicated that he agrees with the proposal.

Could appropriate arrangements be made please?

Any known timetable?

Thanks

( GRAHAM DAVID )

Subject: Excluded Goods

David

Item 15 of the Excluded Goods Order excludes "Drinking water purification and fluoridation equipment" (and this is to be expanded to include chemicals ("substances") used).

Another instance has come up where a water filter contains chemicals to iodise the water.

Do you think item 15 should be changed to "Equipment and substances used in the purification or **treatment** of drinking water"? It would probably be unnecessary to refer specifically to fluoridation?
