Tony
As the value of the gift is less than \$50 and it is not the type of gift suitable for display it does not need to go on the TGA gift register and you should retain the gift.

Pio

On Sunday morning I represented TGA at a meeting run by the Kirby Institute (previously the National Centre in HIV Epidemiology and Clinical Research) which is part of the Faculty of Medicine at UNSW, giving a presentation at the lovely time of 0900.

At the end of my presentation I was given 2 bottles of wine which would have a total value of about \$30.

I have discussed this with Emma and am sending you this email to get advice on the gift.

Regards

Tony
