Subject: Gift register notification [SEC=UNCLASSIFIED]

Hi Pio,

Please find the details of a gift I recently received for consideration by your team:

**Description of gift:**

Bronze statue with wooden base (see attached photo).  
Statue dimensions are approx. 20cm long by 15cm high.  
I would estimate the gift is worth less than \$100.

**Reason for gift:**

I presented at the China International Medical Device Regulatory Forum (CIMDR) on 8 and 11 June 2011.

The presentation I gave on 8 June was on behalf of the TGA.

The presentation I gave on 11 June was on behalf of the GHTF (as I am a member of GHTF Study Group 1).

The organiser of the CIMDR was the China Center for Pharmaceutical International Exchange (CCPIE) with the approval of the Chinese SFDA.

A series of industry representative bodies were co-organisers:

- Advanced Medical Technology Association (AdvaMed)
- European Coordination Committee of Radiological, Electromedical and Healthcare IT Industry (COCIR)
- China Association for Medical Device Industry (CAMDI)
- European Medical Technology Industry Association (Eucomed)
- Japan Industries Association of Radiological Systems
- European Diagnostic Manufacturers Association (EDMA)

The CIMDR was also sponsored by a number of medical device companies.

If possible, I would prefer to keep the gift, however I intend on keeping it on display in my office, while I am still employed at the TGA.

Please let me know if you need any more information.

Cheers,

**Gary Burgess**
