Dear Madam

**RE: MERYL DOREY, AUSTRALIAN VACCINATION NETWORK INC  
COMPLAINT 2012/04/022**

We refer to the abovementioned matter.

We are instructed that our client has withdrawn the advertisements for the DVD entitled 'One Answer to Cancer', being the subject of the complaint, from their website.

Please advise whether it remains necessary for a fulsome response to the complaint, which would very likely consume resources and time of the AVN, Ms Dorey and the Complaints Resolution Panel.

We look forward to hearing from you.

Yours faithfully  
**JAMES FUGGLE RUMMERY**
