Dear Ms Dorey

Complaint 2012/04/022 Black Salve

Please find attached a copy of the determination reached by the Complaints Resolution Panel after its consideration of the above complaint at the meeting of the Panel held on 16 August 2012.

Please note that sub-regulations 42ZCA(3) and (4) of the Therapeutic Goods Regulations 1990 permit the Panel to make recommendations to the Secretary of the Department of Health and Ageing in the event of non-compliance with this determination.

Where a retraction has been requested, please provide a copy of the proposed retraction for the Panel's approval, before its publication or broadcast. Also subsequently provide a copy of the published or broadcast retraction.

In practice, determinations that have not been complied with are referred to the Therapeutic Goods Administration (TGA) for follow-up action. Referral to the TGA may result in an order being made under Regulation 9 of the Therapeutic Goods Regulations to enforce compliance with the Panel's determination. Non-compliance with this order could also result in suspension or cancellation of the product entry from the Australian Register of Therapeutic Goods.

Regulation 9 Orders issued by TGA for advertising complaint determinations finalised by the Panel after 1 November 2010 will be publicised on the TGA's website at <http://www.tga.gov.au/advert/complaint-investigations.htm>

Yours sincerely

Josie Barisic
