The TGA understands that the MHRA conducted an audit inspection of the following facility recently:

[REDACTED]

In accordance with the cooperative arrangements for the Exchange of Information between the TGA and the MHRA relating to GMP inspections, we would like to request a copy of the latest audit inspection report for this site or any other relevant information relating to this site.

It would be much appreciated if this information could be sent to us as soon as possible.

Thank you in advance for your assistance.

Kind Regards

Colleen
