While the page is dated 2016 that section is old.

George can we discuss with [REDACTED]
And I think we can update the language on that page.

Re attached. I dont know where the idea on our website came from about a RIS being required if fees or charges increase by more than inflation...it certainly was not a policy that I approved.

Can we please discuss.

Thanks for this

Dear John

Having discussed the matter internally I believe I have identified the challenges between industry's expectations and the Therapeutic Goods Administration's (TGA) approach. The attached is self-explanatory.

Regards
