As I have indicated to you several times earlier, any individual or organisation is welcome to apply for rescheduling of hydroxychloroquine at any time.

We have sent you information on how to apply, the information you need to include in an application and I have earlier put you in contact with the relevant team at the TGA.

So as I have indicated many months ago and on many occasions, you are able to submit a request for rescheduling today.

John Skerritt

**Adjunct Prof John Skerritt FTSE FIPAA (Vic)**  
**Deputy Secretary for Health Products Regulation**  
**Department of Health**  
(The Health Products Regulation Group comprises the Therapeutic Goods Administration and the Office of Drug Control)

PO Box 100 Woden ACT 2606 Australia  
Phone: (02) 6289 4200 Fax: (02) 6203 1265
