Subject: Proposed Amendments to the Poisons Standard (Medicines) – Nicotine

You have received this email because you filled out a form preparing a submission to the TGA, to amend the poison standard RE: nicotine.

STEPS TO COMPLETE YOUR SUBMISSION

1. Select the 'Forward email' option available in your email platform.
2. Ensure you have the relevant TGA cover sheet document, still attached to the email.
3. Paste the following email address in the 'TO:' field:
medicines.scheduling@health.gov.au
4. Remove ALL text that is above the 4 asterisk (****)

To whom it may concern,

Please note that I would like to make the following submission to have the poison standard amended to include nicotine in tobacco "prepared and packed for heating". I believe it the democratic right for consenting adults to make the choice to smoke or not.
