> Please note that I would like to make the following submission to have
> the poison standard amended to include nicotine in tobacco “prepared
> and packed for heating”. I making this submission because I believe as
> smoker of 20 years that the alternatives provided presently do not
> assist with the cessation of smoking. I have tried on at least 5
> occasions to give up but to no success and with Zyban, champix and
> nicotine replacement therapy. I have seen on the internet a large
> number of ex smokers using alternative methods that are just not
> currently available here and I would like this option for my health
> and my family's well being.
