# HOW TO ACCESS MEDICINA CANNABIS

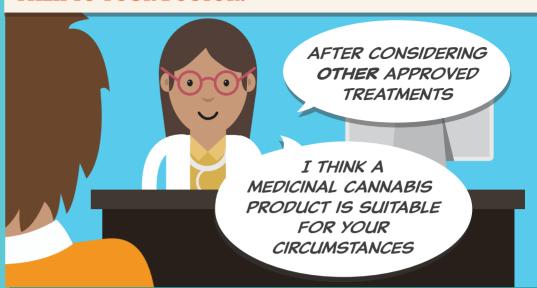

**MEDICINAL CANNABIS MAY HELP SOME PATIENTS...** 

## YOUR DOCTOR CAN APPLY FOR ACCESS TO **UNAPPROVED MEDICINES...**

## TALK TO YOUR DOCTOR.

### SEVERAL DAYS LATER...

### YOUR PHARMACIST CAN FILL THE PRESCRIPTION.

# **SOME TIME LATER...**

I'LL LET MY **DOCTOR KNOW HOW** THIS WORKS FOR MY CONDITION

Legal access to medicinal cannabis means getting a prescription from a doctor. Most medicinal cannabis products are unapproved, which means the Therapeutic Goods Administration (TGA) has not assessed them for safety, quality or effectiveness. Where appropriate, doctors can apply to the TGA for access and explain why their patient needs the medicine.
